Summary: Another science class, another poem =)

Forever, Always

> <meta name="ProgId"> Forever, Always

Forever, Always

I am destruction

Doing anything to gain

And yet I find it hard

To ignore my host's pain

She cries for her child

Deep inside my mind

I hate myself for listening -

Pity's for _her _kind

And then I heard the warrior say -

"I love you, mom"

Her world and mine froze -- aghast

But this awkward moment didn't last

Sentenced to my true fate

We plunged toward where doom lays

I tried to stop the words from flowing; but too late

"I love you too, Marco. Forever, always."

End
file.
